

Zeus North America Mining to Present at the Kinvestor Mining & Energy Virtual Conference 2025

February 10, 2025, Vancouver, BC – Zeus North America Mining Corp. (CSE:ZEUS) (OTCQB:ZUUZF) (FRANKFURT:O92) (the “Company” or “Zeus”) is pleased to announce that Zeus President and CEO, Dean Besserer, is scheduled to present at the Kinvestor Mining & Energy Conference 2025 (KME25) on Wednesday, February 12th, 2025 at 11:20am PT / 2:20pm ET. More details below.

In today’s rapidly evolving economic and environmental landscape, the mining and energy sectors are at the forefront of critical global shifts. From driving the energy transition through renewable initiatives and critical mineral extraction to addressing supply chain challenges and geopolitical influences, these industries play a pivotal role in shaping a sustainable future. This conference empowers investors to navigate these changes, identify emerging opportunities, and make informed decisions in a dynamic market.

KME25 is a premier virtual conference showcasing innovative small and mid-cap public companies within the mining and energy sectors, hosted by Arlen Hansen, host of The Kinvestor Report. KME25 will feature a dynamic roundtable panel, 'Resources in a Time of Transition,' where top industry experts will explore how political shifts, economic policies, and global tensions are redefining the future of mining, energy, and commodities. Kinvestor's virtual conferences offer presenting companies a unique opportunity to showcase their latest developments and engage in a live Q&A-style dialogue with attendees.

Register for free today to hear from Dean Besserer and other key executives as they discuss the latest in mining, energy and more.

Presentation Details:

Date: February 12, 2025

Presentation Time: 11:20am PT / 2:20pm ET

Presenter: Dean Besserer, President & CEO

About Zeus North America Mining Corp.

Exploring in Idaho's newest Copper Belt. The Company is focused on its exploration properties in the state of Idaho, USA known as the: Cuddy Mountain; Selway; and Great Western properties, respectively. The Idaho properties consist of 102 (Cuddy Mountain), 57 (Selway) and 38 (Great Western) lode mining claims respectively and cover a cumulative area of approximately 4,200 acres. The Company's flagship Cuddy Mountain Property is adjacent to Hercules Metal Corp.'s Leviathan Copper Porphyry discovery. The Company is in the business of mineral exploration.

Forward Looking Statements

When used in this news release, the words "estimate", "project", "belief", "anticipate", "intend", "expect", "plan", "predict", "may" or "should" and the negative of these words or such variations thereon or comparable terminology are intended to identify forward-looking statements and information. Although the Company believes, in light of the experience of their respective officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in the forward-looking statements and information in this news release are reasonable, undue reliance should not be placed on them because the parties can give no assurance that such statements will prove to be correct. The forward-looking statements and information in this news release include, amongst others, the Company's plans regarding the Arrangement and exploration plans. Such statements and information reflect the current view of the Company. There are risks and uncertainties that may cause actual results to differ materially from those contemplated in those forward-looking statements and information.

By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements or implied by such forward-looking statements. There are a number of important factors that could cause the Company's actual results to differ materially from those indicated or implied by forward-looking statements and information. Such factors include, among others: currency

fluctuations; limited business history of the parties; disruptions or changes in the credit or security markets; results of operation activities and development of projects; project cost overruns or unanticipated costs; shareholder, court and regulatory approvals; and general development, market and industry conditions.

The Company undertakes no obligation to comment on analyses, expectations or statements made by third parties in respect of its securities or its financial or operating results (as applicable). The Company cautions that the foregoing list of material factors is not exhaustive. When relying on the Company's forward-looking statements and information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed that the material factors referred to in the previous paragraph will not cause such forward-looking statements and information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, are subject to change after such date. The Company does not undertake to update this information at any particular time except as required in accordance with applicable laws.

The Canadian Securities Exchange does not accept responsibility for the adequacy or accuracy of this news release.
